

QUICK TIPS FOR First-Time Users

1 ENROLLMENT

- Use your **legal name** and **home address** (not nickname or P.O. Box). It's for ID verification under the Patriot Act.
- Using a P.O. Box? Enroll with a home address, then **contact support through the app** to update.
- Get an error? You may need to securely upload an **ID or SSN** to update.

2 INVESTMENT ACCOUNT SETUP (APEX)

Before applying:

- **Remove any credit freeze or fraud alert temporarily** (reapply after approval).
- Use the **parent's legal info** (account is in their name until the child turns 18).
- Issues? **Contact Support through the app**

3 TEST IT OUT!

Once verified and your bank is connected, give your child a small **bonus** to test the system.

- Funds go into **Save/Invest, Share, and Spend** based on your chosen allocation.
- Set up chores and an allowance, or an automatic allowance that pays kids without chores.

4 HIGHLIGHTED FEATURES

- **Activity Feed:** Track all transactions for both parent and child key during setup. If anything seems off, reach out to support.
- **Parent Settings** (Bottom of App Screen): Parents can manage nearly everything from here:

<p>1. Manage Profiles</p> <p>Allocate allowance, enable/disable BusyPay, set PINs, and lock transfers</p>	<p>2. Funding Source</p> <p>Update your connected bank info</p>	<p>3. Notifications</p> <p>Must be enabled to receive important account alerts (no marketing here)</p>
<p>4. Chore Reminders</p> <p>Auto-remind kids about upcoming tasks</p>	<p>5. Card Load Limits</p> <p>Check daily/monthly funding caps</p>	<p>6. Documents</p> <p>Access account and investment statements</p>
